

## 7MM + 5MM + 3/2MM FULL + 2MM SHORTY NIXIE

### DESIGNED AROUND YOU

Inspired by sleek slimming design lines and offered in a variety of fashion forward colors, Nixie is a versatile wetsuit for use in all watersports activities that inspires confidence.

#### MATERIAL

- S-FLEX FULL-STRETCH neoprene for extreme comfort and mobility

#### INNOVATION

- S-FLEX is developed from a proprietary blend of neoprene that generates extreme levels of stretch for an easy in, easy out of the suit, improves comfort and mobility, and is wrapped in a buttery soft exterior finish

#### COMMON FEATURES

- Silky soft Full-Stretch neoprene with lines that flatter your curves
- Offered in fashion forward colors including Glacier Blue, Pink & Black
- Set-in sleeve design for comfort and flexibility
- 19" long back zipper for easy on, easy off
- GLIDESKIN collar for maximum seal and reduced flushing keeping you warm
- Velcro® adjustment collar with booklet-style cover to protect your suit from snags and pilling
- Loop at the base of zipper to assist in getting into your suit
- ARMOR FLEX kneepads to protect against snares and abrasion (Full)

#### OTHER FEATURES

- 7MM + 5MM: Skin-in flip seals at mid-forearm mid-calf
- 7MM + 5MM: Double glued and SECURE-LOCK construction
- 3/2MM + 2MM: Rolled GLIDESKIN wrist and ankle/thigh seals
- 2MM: Comfortable contoured 2MM GLIDESKIN collar with 360 Velcro™ adjustment
- 3/2MM + 2MM: Flatseam construction throughout for stretch and comfort
